

SAMPLE SONGLIST

We have at least another 200 songs in our repertoire that are not on this list...

We can do an entire evening of Blues, Jazz, Country / Country Rock, or Music for an older crowd – 1940 and 1950's for instance.

Please don't hesitate to ask for something specific – If we don't currently play it, with a month's notice we can learn it for your event.
