Dear Mike,

The Madison is done and the applause and the raves continue from not only the owners and the residents but the public at large, about this fantastic addition to the downtown core of Kelowna.

The partners of North Ellis Developments, who are the developers of this project, appreciated your professionalism and the pride in your work on the project and wanted to acknowledge that through this letter to you.

On behalf of myself and my partners; Karen & Steve Hyndman and Dina Kotler, we extend our sincerest appreciation.

Sincerely,

  
Mel Kotler
